

ADVOCATES & SOLICITORS

THE FIRM

animesh sinha & partners (asp) is a multi disciplinary law firm located from Delhi and works with associate lawyers in most cities in India. The team at asp comprises lawyers who have worked in multiple jurisdictions and previously trained in top law firms. The team is well accustomed with the work culture of international law firms and has extensive experience handling work for large corporate clients.

We at asp strongly believe in identifying with the client to tailor our services to serve the objective and interests of the client. We are proud to identify ourselves as a team of lawyers with strong belief in easy accessibility for clients, prompt assignment delivery and availability for advice even after completion of assignments.

The emphasis on quality, detailing and clarity is at the core of our belief and we strive to achieve it at all times.

▀ ARBITRATION |

Our Practise

We have extensive experience with arbitration; both ad-hoc and institutional. We have successfully represented several high profile clients in complex arbitrations before retired Supreme Court and High Court judges. We have made provision for arbitration in several contracts operating in various sectors and between different categories of clients. We have successfully defended litigations in courts getting them directed to be resolved through arbitrations. We have also successfully challenged appointment of arbitrators and arbitration panels. We are known for well drafted claims and defences, in-depth understanding of the concerned industry, good presentation skills and ability to work with fixed hearing schedules.

Work highlights

- We have successfully represented India's leading construction company in a highly complex arbitration of over 200 crore against an Italian multi-national corporation.
- We have successfully represented India's leading thermal power company in several high valued arbitrations.
- We have represented clients' in the landmark decision of Bharat Aluminium Co. Ltd. v. Kaiser Aluminium Technical Service Inc. (2012) 9 SCC 649 before the Supreme Court of India.
- We have successfully defended several litigations before Courts in India wherein the Courts directed the disputes to be referred to arbitration.
- We have extensive experience in tailoring arbitration clauses for different contracts operating in a wide range of sectors from technology, finance, infrastructure and construction to insurance.

— BANKING |

Our Practise

We have extensive experience working with the banking industry. We have been involved in high-stake litigations involving banks representing banking institutions as well as customers. Our team has experience litigating in various banking related forums including appellate matters in the High Court and Supreme Court of India. We have successfully represented bank guarantee related claims for both banks and guarantors. We have extensive experience in drafting and preparing agreements relating to the banking sector as well as conducting search reports on high-value transactions. We are known for diligently and doggedly pursuing litigation matters and for preparing high-quality agreements.

Work highlights

- We have successfully represented a national bank in the Supreme Court of India in the Harshad Mehta bank fraud case.
- We have successfully represented a guarantor company from the construction industry to preserve its bank guarantee in a suit before the Delhi High Court.
- We have successfully represented directors in insolvency claims before the Debt Recovery Tribunals in Delhi.

INITIATIVES |

At animesh sinha and partners we firmly believe that our contributions must span beyond the contours of our practice areas. This is why we regularly engage with academic institutions, participate in conferences and other knowledge sharing programs.

Conference

Considering our participation with the infrastructure and construction industry we felt the need for an event where different actors connected with the industry could participate and share ideas. Accordingly we organised a conference on the construction and real estate sector in the years 2010 and 2011 with participation from senior lawyers, lawyers from foreign jurisdictions, industry experts, esteemed judges, experts from other related industries and consumers. The brief details of the conference are as follows:

- 1st conference on Legal Risks in Real Estate and Construction Sector, India and Internationally 2010 organised at National Law University, Delhi. [The team was then working under the umbrella of Accendo Law Partners.]
- 2nd conference on Legal Risks in Real Estate and Construction Sector, India and Internationally 2011 organised at Russian Centre, Delhi. [The team was then working under the umbrella of Advani & co.]
- Mr Animesh Sinha participated and presented a paper on Remote Sensing Satellites: Legal Issues in Emerging Technology at the International Conference on Current Developments in Air and Space Law organised by the National University, Delhi.

INITIATIVES |

Teaching

We firmly believe active participation in teaching programs not only benefit the students but also the instructors. Through our participation in various teaching programs we have been able to stay in touch with the latest academic developments. The teaching assignments also provide an opportunity to assess assignments with fresh perspective. Keeping in view these advantages we have been involved in the following teaching programs:

▸ Oriental Insurance Co. Ltd. Staff Training College

Taught courses to executive level officers on Legal Aspects of Insurance and Evolution on the Concept of Insurance (January 2013), Legal Aspects of Insurance (April 2013) and Liability under Law of Torts and related Insurance Products and Liability under Company Law and related Insurance Products (June 2014)

▸ National Law University, Delhi

Taught special courses titled Decoding Civil Litigation System in India (Autumn 2011 & Spring 2012), Legal Drafting (Autumn 2012 & Spring 2013), and Dealing with Contracts (Spring 2013 & Autumn 2013).

▸ Amity Law School, Delhi

Taught courses (visiting lecture) on Law of Outer Space (2009), Law of Income Tax (2010), and Law of Insurance (2010).

INITIATIVES |

Moot Courts

We also regularly participate in moot court competitions across the country. Our participation is not limited to judging events but we also endeavour to provide academic inputs by drafting moot court problems, conducting workshops and writing on the subject. We regularly participate in the following mooting competitions:

Regularly invited to judge moot various court competitions, including, Philip C. Jessup Moot; Oxford-Price Media Moot; Bar Council of India Moot; IICLAM Moot; Gujarat National Law University International Trade Law Moot; K.K. Luthra Memorial Moot; UKCL Corporate Moot Court; Sarin & Sarin Air and Space Law Moot; Amity National Moot; FDI International Arbitration Moot Court; and Damodaram Sanjivayya National University Competition Law Moot Court.
